

Anti Bullying Policy

Signed: (Head Teacher)

Signed: (Chair of Governors)

Introduction

At East Markham Primary School we aim to provide a safe, caring and friendly environment for all of our pupils, to allow them to improve their life chances and help them maximise their potential. This includes encouraging open discussion around differences between people, challenging prejudice and celebrating diversity.

We recognise that a school has a responsibility to understand the community they serve and to respond to identified concerns, including proactively teaching children about potential threats to their health and safety. We will therefore adopt a contextual approach to bullying and peer on peer abuse, working with families and outside agencies where appropriate.

We expect pupils to act safely and feel safe in school. They should understand the issues relating to all forms of bullying and feel confident to seek support from school should they feel they or others are unsafe. We would also want parents/carers to feel confident that their children are safe and cared for in school and that incidents, if/when they do arise, are dealt with promptly and effectively.

The school is aware of its legal obligations, including those highlighted in the Equality Act 2010. This means, as well as considering the context of any concerns which need addressing, we will consider where a pupil may have a protected characteristic. This will include ensuring any action taken by the school reflects their needs and that any actions taken by the school do not put the pupil at greater harm.

Policy Development

This policy was formulated in consultation with the whole school community with input from:

- Members of staff
- The Governing Body
- Children and young people
- Parents / carers
- Other partners – including our breakfast and after school club providers and other external providers

The Head Teacher has overall responsibility for the policy and its implementation and liaising with the governing body, parents/carers, LA and outside agencies.

The Designated Safeguarding Lead in our school is Mrs Laura Duggin.

Safeguarding is the responsibility of all, however all staff, parents and pupils need to be aware of who to report to and how to report any safeguarding concerns.

Definition of Bullying

The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or through cyberspace.

Behaviour often associated with bullying

Baiting

Baiting can be used in bullying both on and offline. It can be used to bully someone to get 'a rise' out of them and it can be used to antagonize those who might be bullying others to get them to bully. Sometimes baiting is used secretly to try and get a person to explode in a rage or react negatively / loudly so that they get into trouble.

Banter

The dictionary describes banter as: 'the playful and friendly exchange of teasing remarks'.

Bullying is often justified as being just banter. It may start as banter, but some types of banter are bullying and need to be addressed as bullying.

Types of banter:

- Friendly Banter - There's no intention to hurt and everyone knows its limits.
- Ignorant Banter - Crosses the line with no intention to hurt, will often say sorry.
- Malicious Banter - Done to humiliate a person - often in public.

Peer on Peer Abuse

This can include but is not limited to:

- Bullying including cyberbullying
- Sexual violence and sexual harassment
- Physical abuse
- Sexting
- Initiation / hazing, violence and rituals

(See Peer on Peer Abuse Policy for full details)

Sexist and Sexual Bullying

Sexual Harassment – unwanted contact of a sexual nature which can occur on and offline. This behaviour is considered to violate a child's dignity and /or make them feel intimidated, degraded or humiliated and /or create a hostile, offensive or sexualised environment.

This needs to be considered by cross referencing with the Peer on Peer policy but the initial response from staff will be the same as any reported bullying incident and dealt with in a contextual way.

Occasionally an incident may be deemed to be bullying even if the behaviour has not been repeated or persistent – if it fulfils all other descriptions of bullying. This possibility should be considered, particularly in cases of hate crime related bullying and cyberbullying and peer on peer abuse. If the target or alleged perpetrator might be in danger, then intervention is urgently required including a safeguarding referral.

What does bullying look like?

Bullying behavior can be:

- Physical – pushing, poking, kicking, hitting, biting, pinching etc.

- Verbal - name calling, sarcasm, spreading rumours, threats, teasing, belittling.
- Emotional – isolating others, tormenting, hiding books, threatening gestures, ridicule, humiliation, intimidating, excluding, manipulation and coercion.
- Sexual – unwanted physical contact, inappropriate touching, abusive comments, homophobic abuse, exposure to inappropriate films etc.
- Online / cyber – posting on social media, sharing photos, sending nasty text messages, social exclusion.
- Indirect - can include the exploitation of individuals such as false friendships, criminal exploitation, sexual exploitation and radicalization.

Although bullying can occur between individuals, it can often take place in the presence (virtually or physically) of others who become the ‘bystanders’ or ‘accessories’.

Bullying can take place between:

- young people
- young people and staff
- between staff
- individuals or groups

Why are children and young people bullied?

Specific types of bullying include:

Prejudice Related Bullying

Under the Equalities Act 2010 it is against the law to discriminate against anyone because of:

- age
- being or becoming a trans person
- being married or in a civil partnership
- being pregnant or having a child
- disability
- race including colour, nationality, ethnic or national origin, including Gypsy, Roma, Traveller heritage
- religion, belief or lack of religion/belief
- sex /gender
- sexual orientation

These are called ‘protected characteristics’.

As part of the requirement on schools to promote fundamental British values, schools must proactively challenge derogatory and discriminatory language and behaviour including that which is racist, homophobic, biphobic, transphobic and disabilist in nature. We will record these types of bullying, even that which represents a one-off incident.

Other vulnerable groups include:

- young carers
- looked after children
- bullying related to home circumstances
- bullying related to appearance or health

Although the above do not currently receive protection under the Equality Act 2010, bullying for these reasons is just as serious. We have a designated lead for young carers and looked after children who will liaise with staff and children to ensure that they are supported and know where to go for help.

There is no hierarchy of bullying – all forms should be taken equally seriously and dealt with appropriately.

Prejudice Related Language

Racist, homophobic, biphobic, transphobic and disabilist language includes terms of abuse used towards people because of their race/ethnicity/nationality; because they are lesbian, gay, bisexual, or trans, or are perceived to be, or have a parent/carer, sibling, or friend who is; because they have a learning or physical disability. Such language is generally used to refer to something or someone as inferior. This may also be used to taunt young people who are perceived to be different in some way or their friends, family members or their parents/carers are perceived to be different.

Dismissing such language as banter is not helpful as it is being used to mean inferior, bad, broken or wrong. We will challenge the use of prejudice related language in our school even if it appears to be being used without any intent. Persistent use of prejudice related language and/or bullying will be dealt with as with any other form of bullying.

Where does bullying take place?

Bullying is not confined to the school premises. It also persists outside school, on the journey to and from school and in the local community and may continue into Further Education.

The school acknowledges its responsibilities to support families if bullying occurs off the premises.

Cyberbullying

The increasing use of digital technology and the internet has also provided new and particularly intrusive ways for bullies to reach their victims.

Cyberbullying can take many forms and bullying online can often start in school and then be progressed online or start online and influence behaviour in school.

Whilst most incidents of Cyberbullying occur outside school, we will offer support and guidance to parents/carers and their children who experience online bullying and will treat Cyberbullying with the same severity as any other form of bullying.

Cyberbullying can include: -

- hacking into someone's accounts/sites
- Posting prejudice /hate messages
- Impersonating someone on line
- Public posting of images
- Exclusion
- Threats and manipulation
- Stalking

We will ensure that our children are taught safe ways to use the internet (see our Online Safety Policy) and encourage good online behaviour.

Reporting and responding to bullying

Our school has clear systems to report bullying for the whole school community (including staff, parents/carers, children and young people) this includes those who are the victims of bullying or have witnessed bullying behaviour (bystanders).

Any incidents of bullying should be reported to a member of the staff team, or Mrs Laura Duggin, either in person, via email or telephone, who will then begin to follow the school procedures, as outlined below. All allegations of bullying will be recorded, taken seriously and investigated thoroughly.

Procedures

All reported incidents will be taken seriously and investigated involving all parties. The staff is aware of and follows the same procedures.

- Interviewing all parties including target, bully and all others involved.
- Informing parents/carers.
- Consider the context of individual cases including any protected characteristics for target and alleged bully and how this may influence any actions taken.
- Implementing appropriate disciplinary sanctions in accordance with the school's Behaviour Policy. These should be graded according to the seriousness of the incident but should send out a message that bullying is unacceptable.

- Being clear that responses may also vary according to the type of bullying and may involve other agencies where appropriate.
- Following up all reported incidents, keeping in touch with the person who reported the situation and parents/carers to check the effectiveness of actions and reassess if necessary.
- Having a clear complaints' procedure for parents/carers who are not satisfied with the school's actions.
- Having a range of follow-up responses and support appropriate to the situation for all involved such as - solution focused, restorative approach, circle of friends, individual work with victim, perpetrator, bystanders and others affected by the bullying, referral to outside agencies if appropriate.
- Liaising with the wider community if the bullying is taking place off the school premises i.e. in the case of cyberbullying or hate crime.
- Liaise with the DSL if there are any safeguarding issues to consider- who may refer on to the Multi Agency Safeguarding Hub (MASH).
- Liaise with the lead for young carers and looked after children where appropriate.
- Refer to the Nottinghamshire County Council Pathways to Provision and complete an Early Help Assessment Form (EHAF) if appropriate.

Recording bullying and evaluating the policy

Bullying incidents will be recorded by the member of staff who deals with the incident and this will be stored by the Anti-Bullying Coordinator.

Information stored in school will be used to ensure individual incidents are followed up. It will also be used to identify trends and inform preventative work in school and development of the policy. This information will be discussed by staff in regular staff meetings. This information will be stored in accordance with GPDR.

The policy will be reviewed and updated every two years.
