Children should prioritise reading at home as well as practicing their number skills on NumBots. Within the next few weeks more information about NumBots and children’s login details will be sent out.

Home learning suggestions:

- Ask members of your family about their favourite toy when they were younger and see if you can find a picture of it on the internet. Is it similar or different to yours?
- Draw or paint a plant from your garden.

There will be opportunities to share what you find out or show your drawing/painting during our show and tell time.
