

# **Parent Code of Conduct**

## **Introduction and Purpose**

Our vision is that all children at East Markham Primary School will be happy, successful learners who believe in themselves and achieve their full potential. With this always in mind, our school motto is '**Believe, Achieve, Succeed**'.

At East Markham Primary School, our **respectful** learners feel secure and have positive self-esteem. They develop a love of learning, are **resilient** and enjoy learning, including from their mistakes. They have **courage** in everyday situations, even when they feel unsure, and are a positive role model for our school community. Our **passionate** children stand up for what is right, are open minded and try their hardest in everything that they do. Whilst at East Markham, learners develop a growth mindset and are **empathetic**, considerate and respectful of others, living things and the environment.

At East Markham Primary School, we believe it's important to:

- Work in partnership with parents to support their child's learning;
- Create a safe, respectful and inclusive environment for pupils, staff and parents;
- Model appropriate behaviour for our pupils at all times.

To help us do this, we set clear expectations and guidelines on behaviour for all members of our community. This includes staff (through the staff code of conduct) and pupils (through our behaviour policy).

This code of conduct aims to help the school work together with parents by setting guidelines on appropriate behaviour.

We use the term 'parents' to refer to:

- Anyone with parental responsibility for a pupil;
- Anyone caring for a child (such as grandparents or child-minders).

## **Our Expectations of Parents and Carers**

We expect parents, carers and other visitors to:

- Respect the ethos, vision and values of our school;
- Work together with staff in the best interests of our pupils;
- Treat all members of the school community with respect – setting a good example with speech and behaviour;
- Seek a peaceful solution to all issues;
- Correct their own child's behaviour (or those in their care), particularly in public, where it could lead to conflict, aggression or unsafe conduct;
- Approach the right member of school staff to help resolve any issues of concern;
- Adhere to the school communication policy.

## **Behaviour That Will Not Be Tolerated**

- Disrupting, or threatening to disrupt, school operations (including events on the school grounds and sports team matches);
- Swearing, or using offensive language;

- Displaying a temper, or shouting at members of staff, pupils or other parents;
- Threatening another member of the school community;
- Sending abusive messages to another member of the school community, including via text, email or social media;
- Posting defamatory, offensive or derogatory comments about the school, its staff or any member of its community, on social media platforms;
- Use of physical punishment against your child while on school premises;
- Any aggressive behaviour (including verbally or in writing) towards another child or adult;
- Disciplining another person's child – please bring any behaviour incidents to a member of staff's attention;
- Smoking or drinking alcohol on the school premises (unless alcohol has been allowed at a specific event);
- Possessing or taking drugs (including legal highs);
- Bringing dogs onto the school premises (other than guide dogs).

### **Breaching the Code of Conduct**

If the school suspects, or becomes aware, that a parent has breached the code of conduct, the school will gather information from those involved and speak to the parent about the incident.

Depending on the nature of the incident, the school may then:

- Send a warning letter to the parent;
- Invite the parent into school to meet with a senior member of staff or the Co-Headteacher;
- Contact the appropriate authorities (in cases of criminal behaviour);
- Seek advice from the local authority's legal team regarding further action (in cases of conduct that may be libellous or slanderous);
- Ban the parent from the school site.

The school will always respond to an incident in a proportional way. The final decision for how to respond to breaches of the code of conduct rests with the Co-Head Teachers.

The Co-Head Teachers will consult the chair of governors before banning a parent from the school site.

### **East Markham Team**

We are incredibly proud of our inclusive school, where all children and their families are welcomed and valued. Our East Markham Team is made up of all stake holders, including parents, carers and the wider school community too.

Together, we can make East Markham Primary School the very best that it can be.
