Home Learning

Home learning suggestions:

- Create a basic map of your garden. Hide something for someone in your family to find and mark it on your map with an X marks the spot. Can they find it?
- Draw a picture of you and your family celebrating Christmas. This could be a family tradition that you do each year or extended family that you go to visit at Christmas.

We would love to see what you create so please bring it in to school.

Thank you!
